Technology lab for kids is a fun and educational
class where children go on learning adventures
that deliver both academic enrichment and impor-
tant technology skills. Our small class setting en-
sures each child gets plenty of personal attention
as they follow a curriculum designed around the
highest academic standards. Guided by a certified
teacher, your child will have a hands-on learning
experience like no other.

Teaching young children technology since 1995,
and enhance their learning through the school
year, not by rote, but through hand-on discovery!
